

Online Application Process

Intern Engage 2022

Dear Student,

Kindly follow the below steps to complete your online application with Microsoft India.

STEP 1: Go to: <https://careers.microsoft.com/students/us/en/>

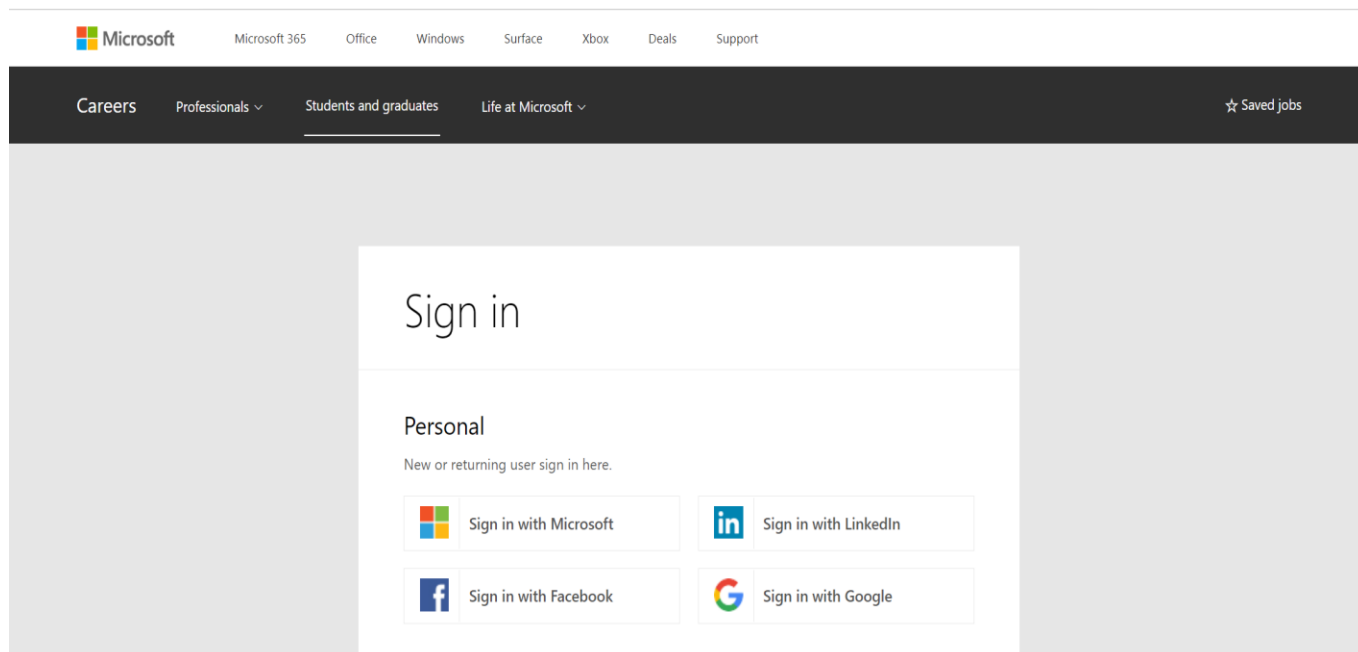

STEP 2: Select the 'Student and Graduates' radio button.

STEP 3: Enter the Job ID **2022-1314677** and hit find jobs.

STEP 4: Select **Intern Engage 2022** and apply for the program.

You will be asked to sign in using the below 4 options: **We recommend that you use your personal email address and NOT your university email address.**

STEP 5: Filling the Application

1. To participate in Intern Engage, you must complete the entire application process and provide all the 'required' information. Incomplete applications will not be considered.
2. Ensure your most recent resume is uploaded. Applications without a resume will not be accepted.
3. While filling in the 'Contact' section- kindly ensure you fill in all the information accurately.
 - While filling in your email id, please check for typos while entering your email id- invalid or incorrect email ids will not be considered.
 - Your registered email address for the process will be used until the end of the program. You cannot change your email address once registered.
4. While filling in the 'Experience' section-
 - a. Enter any internship experience, school projects that you might have, if any.
5. While filling in the 'Education' section,
 - a. Under 'school' please list your full college name and do not use any abbreviations.
 - b. Kindly fill in all the 'required' fields like expected graduation date, field of study, level of education, etc.
6. While filling in the Areas of Expertise-
 - a. Please fill in any coding competitions you've participated in, certifications or courses you have undertaken.
7. Do confirm that all your information is correct before you submit your application

Thank you!
